Dear Mr. Yeasted:

For the upcoming public meeting on the New Bedford fast track feasibility study at the Casa da Saudade (Portuguese library) in New Bedford on September 6, 1984, it will be necessary to have a translator to translate the meeting from English to Portuguese. We have secured a commitment to provide the services from a local translator who is experienced and well respected by the community. The translation fee is \$100. Please make arrangements for using this translator at our meeting.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gerard".

Gerard Sotolongo
Site Project Officer
